☒ Yes

☐ No

☐ Unsure / don't know

If no or unsure/don't know, in what areas should there be more detail within the draft guidance?

☒ No

☐ Unsure / don't know

If no or unsure/don't know, please provide any examples that think should be included in the draft guidance.

Please can you include examples about what would constitute a manifestly unfounded request. We have struggled with this in a recent SAR which was associated with a grievance where the requester was disgruntled and had complained about a number of other staff members. It would have been helpful if we could have had access to guidance around this point.

Q4 We have found that data protection professionals often struggle with applying and defining 'manifestly unfounded or excessive' subject access requests. We would like to include a wide range of examples from a variety of sectors to help you. Please provide some examples of manifestly unfounded and excessive requests below (if applicable).

Yes definitely

Q8 Please provide any further comments or suggestions you may have about the draft guidance.

It seems that requirement to provide unstructured manual records only applies to public authorities. It would be helpful to state that this does not therefore apply to data controllers which are not public authorities.
